# Power circuit breaker factory in Canada

## Overview

---

### Who is Canada Breakers?

Join our mailing list to receive special offers. Canada Breakers is a family run, Canadian-owned and operated business providing factory new, new surplus and used circuit breakers across several brands.

### Who is Canadian industrial electrical supply?

Canadian Industrial Electrical Supply is your best source for all your circuit breaker requirements. We have an extensive inventory of new, used, and obsolete breakers from all the leading brands. We stock the latest breakers released as well as the hard-to-find obsolete breakers. We have decades of experience to help you with your breaker needs.

### Does Canada Breakers offer a warranty?

We offer easy returns and a great warranty. CanadaBreakers.ca is a family run and operated business providing authentic factory new, new surplus and used circuit breakers across several brands.

### What is a circuit breaker & a switch disconnect?

Circuit breakers protect electrical cables and machines from overloads, short circuits and insulation failures. Switch disconnectors switch lines on and off, mainly to de-energize and isolate a part of the network before servicing it. ● ComPacT molded case circuit breakers (MCCB) ComPacT for cable and machine protection from 100A to 3200A.

### What is a masterpact NT & NW circuit breaker?

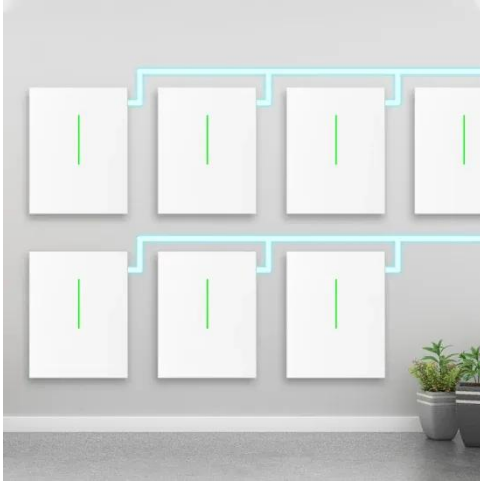

800 A to 6000 A The CSA / UL Listed Masterpact® NT and NW Circuit Breakers are designed to protect electrical systems from damage caused by overloads, short circuits and equipment ground faults.

### What is a Powerpact molded case circuit breaker?

Multistandard molded case circuit breakers up to 600 A PowerPacT is a range of industry-leading multistandard-compliant molded case circuit breakers (MCCB). It offers high-performing thermal-magnetic and electronic trip units from 15 to 600 A.
