Qatar Energy Storage Base Project

Overview

What are deceptive activities at qatarenergy?

These deceptive activities include fabricated invoices, fake websites, emails and AI-generated videos impersonating our employees falsely promoting investment opportunities with QatarEnergy. These activities are not authorized by QatarEnergy or its subsidiaries.

What if I receive a suspicious email from qatarenergy?

QatarEnergy encourages recipients of suspicious communications to verify their authenticity before taking any action. If in doubt, verify communications by contacting speakup@qatarenergy.qa. For more details and to report suspicious activity, visit our fraud and scam webpage or vendor scam webpage.

How do I report a scam on Qatar energy?

If in doubt, verify communications by contacting speakup@qatarenergy.qa. For more details and to report suspicious activity, visit our fraud and scam webpage or vendor scam webpage. Natural gas is an important part of the solution in the energy transition.
