

SolarInvert Energy Solutions

San Diego Niccia battery cabinet customization

Overview

Why should you choose wesgar battery storage cabinets?

Rely on Wesgar to produce first-class battery enclosures and take care of your unique needs. Our quality custom lithium-ion battery storage cabinets are skillfully fabricated leveraging our 250+ team of professionals, leading-edge equipment and robotics, and 55+ years of dedication to best practices on our 4-acre plant in British Columbia.

What's new at Sumitomo Electric USA?

Join Sumitomo Electric USA as we showcase our latest energy storage solutions for renewable energy transition. Discover innovations in energy storage technology that are driving the future of sustainable energy and resilience in North America.

Where can I buy battery charging cabinets?

Get your battery charging cabinets from the leading fabricator in the Pacific Northwest and Western Canada. Depend on Wesgar to eliminate supply chain delays and deliver quality cabinets—from small to extra-large. Our cabinets are safe, weather and fire-resistant, and designed for indoor and outdoor use.

Are SD custom cabinets a good company?

SD Custom Cabinets installed cabinets in our kitchen, hallway, dining room and a custom TV unit. They turned out spectacular. The cabinets were installed 4 years ago and have held up extremely well. We love our home and receive so many complements. The cabinets are of the highest quality and look great. And, they are 100% CUSTOM!
