Singo portable energy storage power supply

Overview

leetek SINGO2000 home backup system is a portable energy storage station designed to deliver uninterrupted power to an entire household. It caters to both indoor and outdoor power needs. Is a Singo a portable power station?

The Singo numerous market leading features, including AC Boost, 90 Min AC Max Fast Charge, In-Line UPS functionality, Wi-Fi and App for remote monitoring and control and AC Auto Recovery. The Singo is suitable to use both in and outdoors. how does a PORTABLE POWER STATION work?

.

How does the Singo portable ups power station work?

The Singo Portable UPS Power Station uses leading LiFePO4 battery technology to give you the necessary energy to keep up to 95% of your electronics and appliances powered during load-shedding.

How long does a Singo power station last?

The Singo Portable UPS Power Station can last up to 10 years if you use your Singo in accordance with the User Guide. If you replace just the battery after 10 years you are left with an old case with outdated technology and features but with a new expensive battery.

How many devices can a Singo power?

The Singo can power up to 11 devices simultaneously, including wireless charging for your smartphone. It also includes 2 South African 3-prong sockets, which means no adapter is required to power your devices. The Singo re-charges from 0-80% in 45 minutes, five times faster than the industry standard. what is a portable power station?

.

How long does a Singo battery last?

Store power for up to 6 months within the battery. The Singo can power up to 11 devices simultaneously, including wireless charging for your smartphone. It also includes 2 South African 3-prong sockets, which means no adapter is required to power your devices.

What is a portable power station?

Portable Power Stations are a modern noise and fume-free alternative to traditional diesel generators. Portable Power Stations can convert and store energy from several sources, including AC and Solar Power. Store power for up to 6 months within the battery.
