# Small outdoor containerized generator

## Overview

---

What is a containerized diesel generator?

Discover the containerized diesel generators at DINGBO Power, offering a mobile and secure power solution for a wide range of applications. These generators are housed in robust containers, providing enhanced security and portability. Ideal for use in remote, outdoor, or temporary sites, they ensure reliable power delivery in any setting.

What is a containerised generator?

Our Containerised Generators deliver robust, high-capacity power from 300–3,000 kVA in secure, weather-resistant enclosures. Designed for challenging environments and critical applications, they offer noise reduction, easy transport, and bespoke configuration to meet your site's exact needs.

What is a containerized generator set?

The durable and robust Containerized Series generator sets are ideally suited for independent power producer (IPP), mining, oil and gas, or any project where harsh conditions, challenging environments and the demand for reliable, continuous remote power exist.

Can you put a generator in a container?

Generators can be put into containers. There are a number of benefits to doing this including: Easier transportation and installation making them ideal for temporary or remote applications. They are more secure as typically they are lockable which prevents unauthorised access. Do I need to service my power system?

Put simply, yes.

What are containerized generator / packaged container and enclosure options?

Containerized generator / Packaged container and enclosure options provide alternatives to installations in existing or new buildings. We have significant experience with pre-packaged container and enclosure solutions for engine-generator sets, balance of plant equipment, and switchgear.

What is a shipping container generator?

Housed within standard shipping containers, these generators offer a seamless integration of the generator set and its associated equipment, providing a robust solution that combines aesthetics with functionality.
