# **Solar energy production photovoltaic panel manufacturers**

## Overview

---

Where are solar panels made?

The seventh-largest solar manufacturer is the only solar panel manufacturer on this list to have its main headquarters outside China. Canadian Solar has more than 20,000 employees in dozens of countries, as well as manufacturing facilities in Canada, the US, Brazil, and across Asia.

Who are the top solar panel manufacturers in China?

The following are the top solar panel manufacturers in China as of 2024. Jinko Solar Co., Ltd., now officially known as Jinko Solar Holdings Co., Ltd., was established in 2006 and is headquartered in Shangrao, Jiangxi Province, covering an area of over 500 acres.

What makes China's solar panel manufacturing industry unique?

In conclusion, China's solar panel manufacturing industry stands at the forefront of global renewable energy efforts, offering a vast array of high-quality products from leading manufacturers like Primroot.com, Jinko Solar, Trina Solar, and LONGi Green Energy.

Who makes photovoltaic modules?

GEP-Solar, a subsidiary of Sun Group Corporation, specializes in the manufacturing of photovoltaic modules with an impressive annual capacity of 4.7GW across multiple production units in China and Vietnam. They offer a range of modules suitable for both rooftop installations and larger ground-mounted projects.

Why is China the world's leading producer of solar panels?

China is the global powerhouse in solar panel manufacturing, driving the industry with unparalleled production capabilities and cutting-edge technological advancements. As the world's leading producer, China commands over 95% of the global market for key components such as

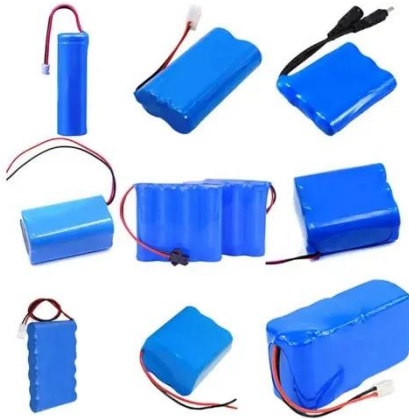

polysilicon, ingots, and wafers, essential for solar panel production.

Who makes the best solar panels?

Last but not least on our list of the largest solar panel manufacturers is the Sharp Corporation, founded in 1912. Sharp is another Japanese solar panel manufacturer and one of the best solar panels manufacturers and electronics corporations in the world.
