

## SolarInvert Energy Solutions

# South Ossetia photovoltaic module sales price

### Lithium Solar Generator: \$150

## Overview

---

Which solar panel and polysilicon pricing report adheres to Iosco reporting requirements?

The only solar panel and polysilicon pricing report that adheres to IOSCO reporting requirements. The OPIS Solar Weekly Report is the first and only solar panel and polysilicon pricing report to follow the International Organization of Securities Commissions' (IOSCO) requirements for fair and transparent pricing.

What's happening in the solar photovoltaic industry?

**On-Demand Webinar** This in-depth webinar explores the dynamic transformations occurring within the global solar photovoltaic (PV) industry. As geopolitical factors, trade policies, and manufacturing strategies evolve, the landscape of solar PV production and distribution is undergoing significant change.

When will 182mm module price report be based on 182\*182-210mm format?

Weekly spot price report for 182mm modules will be based on the 182\*182-210mm format from June 2024 onwards due to the slim price gap among varying formats . In India, domestically produced modules will be changed to TOPCon products, and the export price from China will be removed from May 2025.
