

**SolarInvert Energy Solutions**

# **Sunshine Energy Storage Container**

## Overview

---

Who is Sunshine energy?

With more than 15 years solar inverter and storage system design and manufacturing experience, Sunshine Energy is positioned to provide comprehensive services and product design and strict quality control to help our customers to get the reliable products.

Who offers solar storage system for residential and commercial installations?

Intelligent and Smart, High efficiency and Protection reliability, Sunshine Energy offers solar storage system for residential and commercial installations.

Why should you choose Sunshine energy?

In the entire product development and production process, Sunshine Energy always maintains the highest manufacturing process and standard of the industry, such as ISO13485 medical device level quality system, comprehensive QC and GP system to ensure high-standard product quality.

Who owns sunnic energy?

Strategically co-invested by CATL and Xiaomi, SUNNIC is a fast growing "Specialized and Sophisticated" company. Under the guidance of the national "2030 and 2060 " goal, the energy industry chain is undergoing significant changes.
