

SolarInvert Energy Solutions

Sunshine roof photovoltaic glass

Overview

Who is Sunshine solar technology?

Sunshine Solar Technology Co. Ltd. Was established to support Group strategies, on the basis of the industry and its main business is to sell or distribute solar power accessory and Application products, Including Tempered low iron pattern solar glass, solar panel, BACKSHEET□ junction box, solder strip and so on.

What is a goodwe solar roof tile?

The GoodWe Sunshine Series is an integrated solar roof tile solution for pitched rooftops to replace traditional solar panels and framework for a sleek, aesthetically-pleasing result, that also maximises your rooftop space for more solar production. The integrated tempered double-glass structure ensures the safety of the roof structure.

Who makes Sunshine solar energy?

Sunshine has one factory (jiangyin julong renewable energy Co.,Ltd) and two foreign trade companies in mainland China, and its brand for global promotion is known as "Sunshine". Jiangyin Sunshine Solar Science & Technology Co., Ltd.

Is Sunshine a good roofing material?

Sunshine has been certified as a building material and can be used directly for roofing. It is sturdy and durable, with a lifespan that matches that of the building. The Sunshine product offers a complete replacement solution for metal tiles. Meanwhile, it's characterized with architecture aesthetic designed appearance.

Who is Jiangyin Sunshine solar science & technology?

Jiangyin Sunshine Solar Science & Technology Co., Ltd. Is a Sino-foreign joint venture that is specialized in production and sale of the accessory for solar

panels and the design, construction, installation and maintenance of solar energy system projects in Jiangyin City, Jiangsu Province.

Which buildings can benefit from Photovoltaic Glass Solutions?

Buildings such as corporate offices, hotels, skyscrapers, airports, railway stations, government buildings, museums, and even historic buildings can benefit from our photovoltaic glass solutions. Dubai Frame

Sunshine roof photovoltaic glass

Building Integrated Photovoltaics (BIPV)

Roof elements include: photovoltaic shingles, rolled thin-film surfaces, and PV glass skylights that have PV cells or transparent PV surfaces incorporated into ...
