

## SolarInvert Energy Solutions

**The largest photovoltaic panel  
manufacturer in terms of  
wattage**

## Overview

---

Tongwei Solar is the world's largest solar panel manufacturer; it shipped 38.2 GW of solar cells and solar panels in 2022. That's the equivalent of over 100,000 typical 350 watt (W) solar panels. Who is the largest solar panel manufacturer in the world?

JS Solar products are sold worldwide, and the company currently has distributors in Chile, Mexico, and even the middle-east, which puts this company on the top of this list, as possibly the largest solar panel manufacturer in the world. 2. Trina Solar.

Who are the top 20 global photovoltaic module manufacturers?

During the conference, PVBL announced its annual ranking of the top 20 global photovoltaic module manufacturers. In 2024, the global solar module market continued to see the strongest players thrive, with the top four enterprises — JinkoSolar, LONGi, Trina Solar and JA Solar — collectively shipping over 320GW and dominating the industry.

Which solar companies produce the most solar panels?

Based on their manufacturing capacity and shipments, the three companies that have produced the most solar panels are JinkoSolar, LONGi Green Energy Technology, and Trina Solar. Below is more information about the 3 top solar companies for scaled solar panel production.

Who makes the best solar panels?

Last but not least on our list of the largest solar panel manufacturers is the Sharp Corporation, founded in 1912. Sharp is another Japanese solar panel manufacturer and one of the best solar panels manufacturers and electronics corporations in the world.

Which solar companies produce scaled solar panels?

Below is more information about the 3 top solar companies for scaled solar

panel production. JinkoSolar (Overall Highest Production): JinkoSolar is currently the largest producer of solar panels globally, having shipped over 210 GW of solar modules by the end of 2023.

Who makes the best solar panels in the UK?

Project Solar is the biggest solar panel supplier in the UK, and is also one of the best solar panel installers. It's been in business since 2011, and has completed over 45,000 solar panel installations nationwide. Are there any solar panel manufacturers in the UK?
