

SolarInvert Energy Solutions

Tonga Energy Storage Battery Container

Overview

The project consists of six 40-foot containers with Samsung ILithium ion batteries and inverters to convert power from AC to DC to enable storage of energy generated and also to feed power back into the grid.

Tonga Energy Storage Battery Container

Tonga lithium energy storage power price list picture

The project will consist of 3 forty foot containers and one 20 ft container with Samsung Lithium Ion Batteries, and inverters to convert power from AC to DC to enable storage of power generated ...
