# **Türkiye container wholesale**

## Overview

---

### Who is ESC container?

ESC Container is a container company established in 2022, based in Istanbul, providing container buying, selling, leasing, storage, and modification services globally, with a focus on Turkey. With both standard and custom equipment stocks, it caters to a wide range of customers. Customer satisfaction is at the core of our business approach.

### What are container structures used for?

Containers are used for many functions in various fields, and often preferred as light structure materials. Prefabricated materials such as sheets, steel profile are preferred instead of traditional construction materials such as brick and cement in the production of container structures, offering easy and flexible solutions for users.

### What are classic container types based on light steel frame system?

Classical container types projected on light steel frame system are built on first class galvanized structure steel, completely non-welded joints and main columns ensuring superior durability. Thus, it is suitable for both single storey structures and double or three storey structures.

### What is included in a package House of konteynerler?

Furnishings such as electric sockets, lights, air conditioner, toilet, wash sink, plumbing, changing and WC cabin, doort, window and ventilation systems. Thanks to practical and economic package house of Konteynerler.com; you may gain [.]
