# UPS battery cabinet installation site

## Overview

---

How do I connect a battery cabinet to a ups?

1.7 For More Information, for UPS cabinet terminal locations. Route the battery cabinet ground wiring from the UPS through the top of the IBC to the wiring channel on the left side of the IBC (see Figure 13). Route the wiring along the wiring channel to the IBC ground terminal block.

Where do I install a line-up and match Battery Cabinet?

Line-up-and-match battery cabinets are installed adjacent to the UPS. The recommended installation location is on the right side of the UPS cabinet as viewed from the front of the cabinet. See Figure 2 for line-up-and-match configuration view. Figure 2. Eaton 93PM 50 kW or 100 kW UPS and Two 93PM Integrated Battery Cabinets.

What is included in ups cabinet installation instructions?

UPS cabinet, optional components, and accessory installation instructions, including site preparation, planning for installation, and wiring and safety information. Detailed illustrations of cabinets and optional accessories with dimensional and connection point drawings are provided.

Where is the battery cabinet located?

The battery cabinet may be located to either the right or left of the UPS cabinet. The recommended location is to the right of the UPS cabinet. This procedure assumes the battery cabinet is located to the right of the UPS cabinet. 15.

Where should the ups be located?

The recommended location is to the right of the UPS cabinet. This procedure assumes the battery cabinet is located to the right of the UPS cabinet. 15. If line-up-and-match installation, remove the rectangular and circular knockout on the bottom and top front side of the UPS and the IBC (see Figure 10).

### Can You Lay tools on top of battery cabinets?

Do not lay tools or metal parts on top of batteries or battery cabinets. Refer to Chapter 3 Installation Plan and Unpacking for cabinet dimensions and weight, wiring and terminal data, and installation notes. Do not tilt the cabinets more than 10° during installation. Failure to follow these instructions may result in severe injury or death.
