

## SolarInvert Energy Solutions

# Vilnius Sunshine Energy Storage Power Supply

## Overview

---

What is Lithuania's first commercial battery storage facility?

Located near Vilnius, this project will be the country's first commercial battery storage facility and is expected to increase Lithuania's total storage capacity by approximately 50%. The system is scheduled to begin operations by the end of 2025.

Who is Sunshine energy?

With more than 15 years solar inverter and storage system design and manufacturing experience, Sunshine Energy is positioned to provide comprehensive services and product design and strict quality control to help our customers to get the reliable products.

What is E-Energija group's Vilnius Bess?

The Vilnius BESS is designed to address these dynamics, ensuring a reliable energy supply for consumers. E-energija Group's initiative reflects a practical approach to integrating renewable energy into Lithuania's grid, with the system set to play a vital role in balancing supply and demand once operational.

What is the Vilnius Bess?

The Vilnius BESS will incorporate a NordNest smart energy management system, equipped with key control and communication functions to optimize performance. This technology aims to support the stability of the national grid by storing excess energy generated from solar and wind power plants, then releasing it when demand rises.

How much does the EU spend on energy storage in Lithuania?

In late 2024, the EU approved a €180 million (US\$188 million) support package for over 1.2GWh energy storage in Lithuania, covering a maximum of 30% of the projects' capital expenditure costs via a competition auction set to

conclude before the end of 2025.

When will a 120mwh battery energy storage system come online?

The 120MWh battery energy storage system (BESS) project near Vilnius, the capital of Lithuania, will come online by the end of 2025. The BESS will provide balancing services to the grid, primarily FCR, aFRR, and mFRR, as well as balance supply and demand on the grid.
