

## SolarInvert Energy Solutions

# West Asia Photovoltaic Power Station Energy Storage Manufacturer

## Overview

---

What is Wolong energy storage?

Wolong Energy Storage fully leverages the technological advantages of Wolong Group in power electronics technology, new energy technology, transmission and distribution technology, and industrial interconnection technology, and collaborates with the photovoltaic and wind power business sectors to become a new engine for energy storage in the world.

Who is solareast?

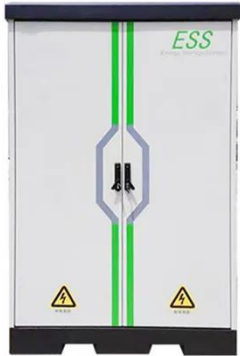

Behind-the-meter market (industrial & commercial users, homes, and communities, etc). Energy type: Clean electricity, clean thermal energy. Founded in 1999, SolarEast is a professional and reliable battery energy storage system manufacturer in China, providing flexible and high-performance all-in-one solutions.

Is Wolong a new engine for energy storage?

become a new engine for energy storage in the world. Wolong's energy storage production base in Shaoxing, China, opened in August 2023. The facility has a planned medium-term annual production capacity of 10GWh.
