Overview

What is XD container & energy storage system?

The XD container and energy storage system was developed to both Chinese and US standards and meets market demands domestically and internationally. With the rapid transformation of global energy, more and more wind and photovoltaic power as well as distributed power resources are connected to the grid.

Is China XD expanding in energy storage?

China XD Group Co., Ltd. recently signed an agreement to export 28 sets of energy storage containers to the United States-based General Electric Company, a signal that China XD is expanding in the energy storage field.

What is XD high voltage apparatus?

Developed by Xi'an XD High Voltage Apparatus Co., Ltd., a subsidiary of China XD Group, it was the group's first system solution and core product into the energy storage and micro grid market. The XD container and energy storage system was developed to both Chinese and US standards and meets market demands domestically and internationally.

Who is XD electric?

XD Electric is one of China's largest primary equipment manufacturers dedicated to the research, application and development of high and ultra high-voltage power transmission solutions. XD Electric has a broad range of products to transform and direct the flow of power for industrial, commercial and residential users.

Is XD|GE a reliable gas insulated switchgear supplier?

XD|GE is one of the most reliable Gas Insulated Switchgear suppliers with one of the lowest average fault rates in the world according to a SGCC Service Report. The quality of our gas insulated switchgear is the result of a rigorous

standard quality management system, which has been certified in accordance with ISO® 9001.

What is the XD|GE alliance?

The XD|GE alliance provides end-to-end transmission solutions to meet the global growing demand for electricity. The combined portfolios of GE and XD provide a comprehensive range of technology solutions designed to address the unique challenges faced by the utility sector and energy intensive industries.
