## Overview

---

Who makes solar panels in Armenia?

Solaron is the first manufacturer of solar panels in Armenia, which annual production capacity reaches about 60 megawatts. Brand “Solaron” is a registered trademark for products manufactured by Profpanel. In Solaron Company merged a team of highly qualified professionals with many years of experience in the business organization from scratch.

Where is Solaron available in Armenia?

Solaron's services are available throughout all regions of Armenia. Solaron is the first manufacturer of solar panels in Armenia, which annual production capacity reaches about 60 megawatts. Brand “Solaron” is a registered trademark for products manufactured by Profpanel.

Where are Solaron solar panels made?

Solaron produces solar panels at its own modern production facilities located in Yerevan. To ensure the production of high-quality solar panels, the company has invested in a modern and innovative production line from the renowned Italian company Ecoprogetti.

Who is Solaron?

Solaron, being the first solar panel manufacturer in Armenia, paid special attention to the energy efficiency of buildings under construction and built. Since 2016, the company has been developing innovative solar energy solutions that improve the quality of life and contribute to the sustainable development of the country.

When will Solaron participate in Armenia Expo 2024?

Solaron will participate in ARMENIA EXPO 2024 on September 6-8, which is an exhibition organized by the Union of Industrialists and Businessmen of Armenia and LOGOS EXPO Center. It will take place in 2024. from September 6

to 8 at the sports concert complex named after K. Demirchyan.

How many solar panels does Solaron produce a year?

Our annual production capacity of solar panels is 60 MW. Over the course of 8 years, Solaron has successfully launched and completed more than 2000 projects both in Armenia and abroad. Innovation is at the core of Solaron's approach, and we actively integrate innovative technologies and solutions into projects.
