

## SolarInvert Energy Solutions

# 30 kWh lithium battery

## Overview

---

What is a 30kWh battery?

The 30kwh battery comes with a 8-year warranty and various certifications like UN38.3, IEC62133, UL, CE. It remains stable even under violent impacts. Built with BYD LiFePO4 cells, it ensures high safety standards. Additionally, you can personalize it with a smart BMS that monitors and balances the battery cells, providing optimal protection.

How long does a 30 kWh battery last?

Cycle Life: □6000 Times. 30kWh battery is a high-quality battery pack for home energy storage. It consists of six 5kWh batteries in parallel, using safe lithium iron phosphate battery cells. It ensures safety, reliability, and cost-effectiveness.

What are the benefits of a 30kWh battery pack?

The 30kWh battery pack is stable, efficient, and can provide backup power for many devices and situations. Home Energy Storage The 30kWh battery can convert the solar energy stored during the day into electricity, ensuring that home appliances run smoothly. It enhances power stability for your home while reducing electricity costs.

What is a 30kWh Battery Cabinet?

Ventilation design: 30kWh battery cabinet has ventilation design, which mainly serves as heat dissipation. It further ensures the constant temperature when the battery is working.

Are Manly 30 kWh lithium batteries safe?

Manly 30 kWh lithium Battery is designed with layers of protection – short circuit prevention, overcharge safety, and a guard against over-discharge. And, they come with a balanced circuit for a smooth run. Not to forget, you can link multiple series in parallel for more power. Trust Manly for the safest

and most efficient batteries.

What is a 30kWh LiFePO4 battery?

The 30kWh lifepo4 battery has an output voltage of 51.2V and a storage capacity of 600Ah. It consists of three battery modules and a movable base. Its dimensions are 690×590×450/580mm, and it weighs 270kg. Each module features an LED screen and buttons, making it easy to set up and check the battery status.
