

## SolarInvert Energy Solutions

# Asmara Solar Power System

## Overview

---

What is Asmara?

Tell us so we can help you plan. Asmara is an urban resort positioned in the luxury and premium segment: a wellness centre which offers a lifestyle and activities thought to guarantee the wellness of its customers. Located within an urban context, Asmara offers an escape route from daily life towards a revolutionary oasis.

Who owns the Asmara project?

The Asmara Project is held by Asmara Mining Share Company of which Sichuan Road & Bridge (Group) Corporation Ltd. is indirectly owns 60% of the shares and Eritrean National Mining Corporation owns 40% of the shares. - subscription is required.

Where is Eritrea's first solar plant?

The government of Eritrea has received a \$49.92 million grant from the African Development Bank to fund a 30 MW photovoltaic plant in the town of Dekemhare, 40 km southeast of the capital Asmara. It will be the country's first large-scale solar plant.

How far is Dekemhare from Asmara?

The town of Dekemhare, where Eritrea's first large-scale solar plant will be built, is 40 km southeast of the capital Asmara. The government of Eritrea has received a \$49.92 million grant from the African Development Bank to fund this 30 MW photovoltaic plant.
