# Muscat Brand Solar System Engineering

## Overview

---

Who is Oman solar systems?

About Us - OMAN SOLAR SYSTEMS CO. LLC Oman Solar Systems (OSS) is a pioneer and leader in offering turnkey solutions in solar energy in the Sultanate. OSS was established in 1991. It is a 100% Omani company committed to the industrial and commercial market.

Who is Muscat Electronics LLC?

Muscat Electronics LLC (ME) is part of the Al Yousef Group, which plays a modest role in the development of the nation- by providing world class products and services across industries to the citizens and residents of Oman.

Why should you choose Oman solar?

At Oman Solar, we have latest technology by which we can use NATURAL RESOURCES and convert the NATURAL energy into POWER (ELECTRICAL ENERGY). The solar photovoltaic energy is a most viable solution for reliable and remote application in the region because of the availability of the sun for almost 365 days in the year.

What services does Aptus Solartech provide?

Aptus SolarTech offers various services, including Solar System Design, Solar Equipment Supply, and Installation of Solar Systems. Our team has the expertise and experience to provide long-lasting solutions for simple or complex needs.

Can solar energy generate electricity in Oman?

Solar energy can potentially generate electricity to meet all of Oman's domestic electricity requirements and provide some electricity for export.

Who is OSS solar?

OSS is one of the oldest company in entire GCC region, over the three decades, we have installed many successful solar power systems at critical, remote, and inaccessible locations and delivered power and energy to homes and business houses across the Oman, UAE, MENA and SEA region.
