

SolarInvert Energy Solutions

Oman Power Storage Solution

Home Energy Storage (Stackble system)

High Efficiency

Easy installation

Safe and Reliable

Perfect
Compatibility

Product Introduction

- Scalable from 10 kWh to 50 kWh
- Self-Consumption Optimization
- Integrated with inverter to avoid the compatibility problem

- LFP battery, safest and long cycle life
- Stackable design, effortless installation
- Capable of High-Powered
- Emergency- Backup and Off-Grid Function

Overview

Building on Oman's efforts to deploy sufficient energy storage capacity to address grid intermittency challenges associated with the renewable energy transition, Oman's authorities have identified approximately 10-11 sites suitable for pumped hydro storage around the country.
