

SolarInvert Energy Solutions

Zambia off-grid inverter merchants

Overview

What is an off-grid solar inverter in Gauteng?

Off-grid solar inverters in Gauteng are best suited for people who want to be completely off the Eskom grid and be self-efficient, or for people who do not have access to Eskom's electricity grid. A fully installed off-grid solar system in Gauteng can be pricey but, it can save large amount of money in the long term.

Who is get off grid?

Get Off Grid is your end-to-end solar energy and technology partner. We supply solar products to installers, EPCs, and resellers in Zambia. As a leading solar distributor, we offer top-tier brands at competitive prices and technical support to help you scale faster and deliver quality installations every time.

Are victron & sunsynk inverters a good company?

"We purchase all our Victron, Sunsynk inverters paired with the BSL range of batteries from them. The after sales service department is knowledgeable and a good asset in your business. Technical advice, assistance available when needed. Overall this company offers a good service with competitive pricing.
